

If You Love Them Then You Will Debate Them Jan. 2019

Why ? If you love them you will debate Series.

Have you recently said;

1. " I give up no one seems to listen." ?
2. I want to share Christ but it seems like I just make people mad.
3. If God is Love then what do I do to really love those around me ?

Then this series of letters is for you.

1. What the letters do don't do.....

- They don't give you fuel to make yourself right or tell others they are wrong.
- They won't influence you to believe a certain way on religion or politics.

2. What the letters will do.....

- They will give you confidence to listen and clarify real important issues in your mind.
- They will give you tools to not only pick the proper timing for sharing your ideas but also how to help others gain respect and trust in what you are sharing.

The Great Challenge:

Are we showing trust in Jesus or do we show trust in man? You really can't do both.

Matthew 6:24 King James Version (KJV)

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

What we say or do should be out of confidence in our Lord. When we speak we should carefully decide where our motivation is coming from. Do we trust in Jesus or man ?

2 Tim 1:7 - For God hath not given us the spirit of fear, but of power and of love and of a sound mind

Gaining a Godly Perspective

Ask yourself right now.

Am I:

- Under authority – Looking to Jesus for the strength
- Neutral Motives – Free from guilt and manipulation
- Rules and boundaries – Testing the faith for humility
- Empowering – Believing in God's healing and design

We will be taking each area and discerning whether we have God's Heart and Perspective.

Feel free to share your opinions and ideas.
